RE: Mercur Canyon Project
ACT/045/013
Tooele County, Utah

Dear Mr. Hautala:

The Division is in receipt of Getty Mineral Resources Company's Notice of Intent and Mining and Reclamation Plan for the Mercur Canyon Project in Tooele County.

Review of the permit application will begin and continue as expeditiously as possible. A site visit will most likely be required and will be arranged through Mr. Buck by Mr. Tom Tetting, the Division staff geologist, who will function as lead during the review process. Should you have any questions or concerns please don't hesitate to call either Tom or myself.

Sincerely,

JAMES W. SMITH, JR.
